Mrs. Watson's Disbarred Attorney
Finds Substitutes—Miss Porter's
Estate Growing.

B. H. Wright's bill of exceptions to conviction and sentence for embezzlement was filed yesterday afternoon by J. J. Dunne of counsel for defendant. It is certified as correct by Attorney-General Andrews and Jno. W. Cathcart, the latter as special counsel for the Territory.

There are fifty-seven exceptions set forth, occupying seventy-eight type-written pages.

Judge De Bolt, in allowing the bill of exceptions, further orders that all records, etc., are expressly made a part thereof. A stipulation to the same effect by counsel on both sides is appended. The list of exhibits takes the alphabet from A to W, inclusive, for identification.

As for the exceptions, they refer to rulings of the court on evidence, etc., throughout the trial. The first is on the overruling of objection to James H. Boyd as a witness, and the second to the introduction of the commissions of chief clerk and clerk of market given by Boyd to Wright.

Five months have elapsed since the close of the trial and the noting of the final exception.

THE SPRECKELS CASE.

"Emma Claudina Spreckels Watson, by Abram Stephanus Humphreys, her attorney in fact," has filed the following warrant of attorney in the case of Emma Claudina Spreckels Watson vs. Claus Spreckels:

"I, Emma Claudina Spreckels Watson, plaintiff in the above entitled case, have retained and employed and do hereby retain and employ A. G. M. Robertson, and A. A. Wilder, and each of them severally, as my attorneys and counsel in said case, and agree to be bound by every pleading and stipulation which they may file or enter into therein."

Appended to the warrant are the original power of attorney of plaintiff and her husband, appointing Mr. Humphreys as their "true and lawful attorney in fact and at law," and the acknowledgment thereof by a notary public of the County of London. The latter document bears a dark blue seal of diamond shape, suspended from a loop of green tape reaching to the top of the paper. This gorgeous insignia of office will give local notaries a pointer on the London style.

PROBATE MATTERS.

The accounts of Cecil Brown and H. Focke, trustees of the estate of James Gay, were referred by Judge De Bolt to P. D. Kellett, Jr., for a master's report thereon as soon as possible. W. O. Smith, administrator of the estate of Ethel P. N. Gay and guardian of the minor children of deceased, was present and stated that he had examined the accounts and was satisfied with their correctness.

Judge De Bolt approved the accounts of W. O. Smith, administrator of the estate of Ethel P. N. Gay, deceased, and granted the petition in the same matter for the sale of real estate. L. J. Warren appeared for the petition.

The annual account of Cecil Brown, guardian of Mary Alice Porter, a minor, was referred by Judge De Bolt to M. T. Simonton as master. It gives receipts as \$2398.36 and payments as \$1180.10, leaving a balance for the minor of \$1218.26. By the report of the guardian it appears that \$300 has been transferred from last year's balance to principal account and it is proposed now to transfer \$1000 of this year's balance of income to principal.

The master's report on the accounts of George Rodick, administrator of the estate of W. Hing, deceased, was approved, and the administrator's discharge ordered by Judge De Bolt. C. S. Dole for the administrator.

OTHER MATTERS.

Judge De Bolt yesterday heard the partition suit of Keahi (w) vs. Niau Iaukea et al. Robertson & Wilder appeared for plaintiff; C. W. Ashford for Niau Iaukea and W. S. Fleming for Henrietta Amoehiona. The report of Olaf Sorenson, commissioner, was confirmed and he was allowed a fee of \$60.

Judge De Bolt denied the motion to quash summons in the suit of Oahj Lumber & Building Co. vs. W. S. Edings et al., after its submission without argument by H. A. Bigelow for defendant Edings and a request for denial by J. A. Matthewman for plaintiff. "The First National Bank of Hawaii at Honolulu," as garnishee defendant, had entered a plea in abatement, setting forth that its name was as above and not "The First National Bank of Hawaii."

HABEAS CORPUS.

Jung Hing, the Chinese woman, appeared before Judge Gear again yesterday morning with her two children who are the subjects of habeas corpus proceedings brought by Jus Gun for their custody. J. W. Cathcart, who appeared for the petitioner in place of A. S. Humphreys, disbarred, wanted time to examine the case. The matter was therefore continued. Judge Gear gave a warning that any attempt to remove the children from the court's jurisdiction would be regarded as contempt.

A CASE OF CHICKEN POX

Captain Whiting his wife and little daughter have been quarantined on Goat Island on account of Mrs. Whiting and her daughter having had the chicken pox. The Examiner speaks as follows concerning the episode: It is true that the quarantine is not very strict, nor is the disease virulent, nevertheless Chief Surgeon Flitts recommended yesterday that the house of the commandant be quarantined and that the inmates cut themselves off from personal contact with the other inhabitants of the little island.

Temporarily Commander Jefferson F. Moser of the training ship Pensacola, is commandant of the island, and he stated yesterday that little Miss Whiting had just recovered from an attack of chicken pox, when Mrs. Whiting took it in a mild form, and finally the doctor thought it would be best that the whole household should be placed in quarantine. The matter, he added, had not been referred to the department at all, as it was not considered serious enough to warrant mention. Lieutenant W. S. Hughes corroborated all that Commander Moser had said, and then Dr. Flitts explained that he had never suspected that Mrs. Whiting was suffering from smallpox, but that he knew she had caught a mild attack of chicken pox from her young daughter, and that in a day or two all need of further precaution would have passed.

COAST TEAM MAY COME

Brooks Brings the News
From Oakland and
San Francisco.

Oakland and San Francisco baseball teams are anxious to come to Honolulu Christmas time and F. M. Brooks who returned from the mainland on the Siberia yesterday will present the matter at the next meeting of the baseball league. Mr. Brooks says also that Honolulu is likely to get a visit soon from the Grand Exalted Ruler of the Elks.

As delegate from Hawaii Mr. Brooks attended the National Convention of that body at Baltimore and he brought back with him an interesting collection of badges worn at the convention by the various societies represented. Altogether he has from forty to fifty badges of all shapes and designs. The most curious is a badge with a real horned toad as a center figure which was insignia of an Arizona lodge. Then there was a badge with a peach, another with a shoe, and innumerable varieties of gold, silver and bronze.

This year Hawaii did not get the prize for the Elk who had the longest distance to attend the convention. There were two delegates present from Manila, one of whom made the journey by way of the Suez canal. There was also a delegate present from Dawson city, Alaska.

"The Oakland and San Francisco baseball teams are both anxious to come to Honolulu for a series of games this winter," said Mr. Brooks yesterday. "These teams hold together all the year around and would like to come to Honolulu about Christmas time. They play much better ball than our local nines. I told the managers I would present the matter to the league here."

"I had a good time at Baltimore. The next convention of the Elks is to be held in Cincinnati. I invited the Grand Exalted Ruler to visit Honolulu and he said he might come. His name is Joseph T. Fanning and his home is in Cincinnati."

"I also visited in Atlantic City, Boston, New York and Washington. No, I don't know anything about the Oaki Mankichi case; never even consulted our lawyer when I was in New York."

"GREEN SICKNESS"

The unhealthy complexion of green sickness is changed to the rosy blush of good health by Scott's Emulsion.

Green sickness is one of the forms of blood disease found in young women. The change from girlhood to womanhood often upsets the nervous system, weakens digestion and throws the blood-making organs out of gear.

Scott's Emulsion puts new heart into pale girls. It tones up the nervous and digestive system, and feeds the blood. It is a natural tonic.

Remember that 30 per cent. of these cases go on into consumption unless prevented. Scott's Emulsion prevents consumption.
